As He has done for over 20 years, God continues to bless the efforts of kingdom workers who take the *Into His Marvelous Light* home Bible study and go forth into fields ripe for harvest. To God be the glory! Royalwood Pentecostal Church of Houston, Texas, reports baptizing almost 200 prisoners

after teaching them *Into His Marvelous Light*. Pastor Kevin L. Prince of Tyler, Texas, writes: “I have used *Into His Marvelous Light* for more than 15 years as a soul-winning tool. I have found it to be perhaps the most effective way to communicate the message of salvation—to those who have little scriptural knowledge and to those well-versed in the Bible. It happened again recently! As I taught IHML, I saw the light of revelation in Michelle’s eyes. On a Sunday morning shortly after she was taught IHML, Michelle received the Holy Ghost just as the Bible study promised. Another life radically transformed by IHML’s presentation of the Gospel!” To God be the glory!
